Academic Level	Bachelor;Master;PhD;		

Course Description

It is a course focused on developing intercultural communication skills and abilities to communicate effectively in English with people from different cultural backgrounds. You will experience the multicultural environment of the student metropolis, town Brno and learn how can culture affect communication and language in various social contexts.

The course will teach you how intercultural communication requires an understanding that different cultures have different customs, standards, social norms, and even thought patterns. The participants of this course will be introduced European culture, history and way of life. They will learn the elementary intercultural skills in an interactive way and get a taste of the variety of flavours that Europe has to offer.
