Academic Level	Bachelor;PhD;Master;		

Course Description

This Summer School is designed for those who are interested in the language and culture of Spanish-speaking countries. The program is focused on communication in the contemporary multicultural world and its main objective is to establish a productive dialogue between different cultural areas through literary texts, films and other cultural expressions (music, traditions, etc.). You will find here a complex program to deepen not only your language skills but also your knowledge of culture, literature and contemporary history of those countries where Spanish is used as an official language. As you will find out, surprisingly there are very many historical and cultural ties that link the Hispanic world and our region in Central Europe.
